**Description:**

**LOOKING FOR A COMPANY THAT VALUES YOUR POTENTIAL?**

A job with AT&T as a Wire Technician can provide you with exactly that!

Take advantage of our paid training and wide range of career possibilities. AT&T offers a competitive salary, company provided vehicles and tools and benefits that include medical, dental, paid vacation, and more!

Our Wire Technicians work both inside and outside and are responsible for the installation and customer care of the new U-verse integrated digital TV, high speed Internet and voice services.

**What you'll do as an AT&T Wire Technician:**

- Educate customers on service features and functionality
- Verify all services are working correctly
- Install and rearrange inside wires
- Possibly work in small confined spaces or aloft (up to 28ft)
- Work with hand tools
- Work outdoors in all kinds of weather
- Pole climbing

**In addition to STRONG communication skills, our Premises Technicians must have the following:**

- Valid state driver's license and non-negligent driving record
- Meet 275lbs weight limit due to safety restrictions
- Ability to lift and move up to 80lbs
- Ability to work a flexible schedule including evenings and weekends
- Satisfactory results from a background/employment history investigation and drug screening
- Qualification on pre-employment screening
- Ability to perceive differences in wire and cable colors
- Ability to complete on-the-job and/or classroom training as required to remain on the job

**Required Testing:**

- **Technical/Mechanical Test - Field II (TMT-F II)**

- Premises Technician Assessment (PTA)
- Physical Abilities Evaluation (PAE)

Test study guides can be found at: <http://att.jobs/test-guides.aspx>
