

Raleigh Glass Company is looking to add a dependable and hardworking employee to our team. While we would prefer an experienced glazier or someone with general construction experience, we are willing to train the right candidate.

Glaziers will be responsible for installing showers, residential, and commercial glass. Must have valid driver's license. Candidates must be able to lift up to 100 pounds.

We are also looking for an assistant in our shop. Responsibilities include assisting in unloading supply trucks, assisting in cutting glass and mirrors, checking inventory and keeping shop clean and organized.

We offer competitive wages, paid holidays, vacation and sick time, and health and dental insurance to full-time employees after 90 days.

Both positions are full-time, Monday-Friday, 8:00-5:00.

Please send resumes to raleighglass@yahoo.com or come by our office to fill out an application.
