

*Bob Browder, MBA, CPA*

Growing CPA Firm Looking for Experienced CPA, E.A., and/or Tax Preparer. Full-Time during Tax Season and Part-Time when not Tax Season.

CPA / EA / Tax Preparer will assist us with Individual and Business Income Tax Return Preparation. Ideally, you would be able to prepare most of the Individual Tax Returns assigned to you entirely on your own.

Must have a Minimum of Two Years of Individual Income Tax Return Preparation Experience at either a CPA Firm or a reputable Tax Preparation Company.

Maybe you are tired of the Full-Time Plus hours at your current CPA Firm.

Maybe you are tired of working long nights and weekends.

Maybe you want to work Full-Time during Tax Season, but Part-Time the rest of the year.

Maybe you are tired of your current CPA Firm's stuffy / corporate atmosphere.

Maybe you have a small book of business and not ready yet to go out on your own but you want to.

Maybe building a book of business is not your thing and you just want to do the work without the stress of building a book of business.

Maybe you left the work force for a little bit and now you are ready to get back into it.

Must be Detail-Oriented, Organized, and Self-Motivated. Casual Family Work Environment. Flexible hours. No required Late Nights and/or Weekends, even during Tax Season, but it might be optional if that works better for you.

If you have any questions and/or want to be considered, please email us at [bobbrowdercpa.com](mailto:bobbrowdercpa.com) your cover letter and resume detailing your work history, education, references, tax software program(s) you have actually used, and hourly pay requirements.

All emails, questions, and resumes received will be kept very confidential. If needed, no one (employers, references, etc.) will be contacted until after we interview you and we have your permission.

Please, NO phone calls, NO texts, NO FB messages, and/or NO head hunters. The ONLY way to be considered is VIA EMAIL of the above requested info to [bobbrowdercpa.com](mailto:bobbrowdercpa.com)
