

ARLINGTON

Town Guide

A GUIDE TO ARLINGTON, TENNESSEE

Spring 2025

Arlington...A Rich Past and a Promising Future!

Our quality of life in Arlington is a critical part of our Town's success. Along with our enviable location at the crossroads of I-40 and I-69, our outstanding schools, livability, and access to services, provides a desirable community in which to live or locate a business. These attributes don't happen without planning and leadership – and our Town is indebted to leaders who have planned for success from the Town's beginning. At each step along the way, Town

leaders planned for growth and expansion, making sure that the infrastructure and building guidelines were keeping up with our area's growth. This growth has produced local prosperity – with benefits to our residents, benefits to our schools, and benefits to our businesses.

Arlington has a diverse business community...small businesses and global businesses share our zip code, everything from medical device manufacturers, food distributors, and transporters, to our many restaurants, offices, and retail shops. This diversity of business brings us strength.

As important, Arlington Community Schools is committed to preparing our students for this competitive and global workplace. With programs designed to give our children the tools they need to exceed in any post-secondary university, specialty, or trade school – we can be proud that they have unlimited opportunity. However, we hope several of them will stay or return to their hometown to join our impressive workforce!

As our community continues to grow, one thing that doesn't change in our small town is the commitment of residents, business owners, and Town leaders to maintain the charming aspects of our Town that make Arlington a great place to live and raise a family. Whether you enjoy a game of tennis or disc golf – or if open-air concerts, Farmers Markets, or parades is your thing, Arlington has much to offer.

We hope that you will be proud to continue to grow with us!

MESSAGE FROM THE MAYOR

Mayor Mike Wissman

Greetings from Arlington, Tennessee! We invite you to visit our community – spend a few hours with us or relocate here and join us in one of the fastest growing communities in Tennessee. It is my honor to serve as Mayor of this community of over 15,000 residents – a community that even with its great assets boasts one of the lowest property rates in Shelby County.

Arlington is a growing Town with great opportunities and much to offer our residents. I am proud to work alongside dedicated community leaders who are tirelessly planning for the future of this area.

Arlington offers great opportunities for students. We enjoy award-winning schools with an emphasis on preparing students for what comes after graduation. The four Arlington Community Schools campuses challenge students in fine arts, STEAM, and athletics – while offering internships, college credit, and workplace readiness training. ACS continues to be the centerpiece of why people choose Arlington for their family.

Arlington offers great opportunities for residents. The Town has a wide selection of active churches, a growing park system, numerous sports programs, and true community events, such as Arlington in April, Music on the Square, the July Fireworks Spectacular, the BBQ Burnout, Depot Square Christmas tree lighting, our annual Christmas parade, and Christmas on the Square! Town residents enjoy a wonderful

library and senior center – both of which offer a variety of activities for all ages and interests. These are the things I believe truly make this a great place to live and raise a family. We're proud to offer this quality of life, and we invite you to sample our small-town charm!

Arlington offers great opportunities for businesses. You know how I know? Business owners have looked at our community – the families that live here and what their needs are – and they are choosing to invest their money to open their business in our Town. Our Planning Department and Chamber work with business leaders to help them be successful in locating in Arlington.

Much has been accomplished in the past few years; we have experienced tremendous growth in our population and infrastructure, and our Town leaders and staff have superbly managed this growth to benefit all our residents.

To access the latest information about the Town, I invite you to visit the Town website at www.TownofArlington.org and follow the Town managed Facebook page (Town of Arlington, Tennessee Government).

On behalf of the citizens of the Town of Arlington – we extend our warmest greeting, and we hope to see you soon!

Mayor Mike Wissman

Discover Arlington...A Journey Through Time

Welcome to Arlington, a charming town with a rich history and vibrant community spirit. Nestled in West Tennessee, Arlington has grown from humble beginnings into one of the fastest-growing communities in the state. Let's take a journey through the fascinating history of Arlington and discover what makes it such a special place.

EARLY BEGINNINGS

Arlington's story begins with the Chickasaw Indians, the original inhabitants of the land. In 1818, a treaty ceded this land, along with other parts of West Tennessee, to the United States. By November 24, 1819, Shelby County was established and named after Isaac Shelby, a Revolutionary War veteran and the first governor of Kentucky.

In the early days, the community was small, with fewer than 20 settlers. By 1856, the population had grown to around 200, primarily due to agriculture. To support this growing community, Withe Depot was constructed on land donated by General Samuel J. Hays. This depot, served by the Memphis & Ohio Railroad, became a crucial hub for shipping cotton, attracting business to the area.

FROM HAYSVILLE TO ARLINGTON

The community around the depot was initially known as Haysville, in honor of General Hays. Captain Henry Munger

Pitman, the depot agent, built the first house in the area, setting the stage for further development. Haysville grew steadily until the Civil War, which saw many local men go off to fight, with some never returning.

In 1872, the land surrounding Withe Depot was sold at a public sale, and streets were named after prominent citizens such as Bishop Quintard, President Jackson, and Colonel Robert I. Chester. Haysville was incorporated on February 10, 1878, with W. B. Nolley serving as the first mayor.

However, the name "Haysville" posed a challenge when it came to establishing a post office, as another Haysville already existed in Tennessee. In 1883, Captain Pitman suggested renaming the Town, "Arlington," inspired by Arlington National Cemetery in Virginia. This change allowed the establishment of the Arlington Post Office in 1885, and the Town was officially incorporated as Arlington in 1900.

GROWTH AND DEVELOPMENT

At the turn of the 20th century, Arlington had a population of around 600. The Town boasted a steam sawmill, grist mill, steam cotton gin, livery stable, stores, and four churches. By the end of the century, Arlington had added a post office, physician, druggist, lumber store, meat market, and an undertaker, reflecting its steady growth and development.

Arlington's population saw significant growth in the 21st century. The 2010 census reported a population of 11,517, marking a

348% increase from 2000. A special census in 2018 listed just under 14,000 residents, cementing Arlington's status as one of Tennessee's fastest-growing communities.

PRESERVING HISTORY

Arlington is proud of its rich history, and efforts to preserve its historical landmarks are ongoing. Notable sites include the Rachel H.K. Burrows Museum, S.Y. Wilson & Co., the Blacksmith Shop, the Historic Post Office, and a replica of the original railroad depot station, now serving as the Arlington Senior Citizens Center – are all in historic Depot Square. Many residential structures from the era still stand, preserving the architectural style of the past.

The Association for the Preservation of Tennessee Antiquities (APTA), chartered in 1979, continues its work in preserving several historical structures and sites in Arlington. This dedication to preservation ensures that Arlington's history remains an important part of its identity.

A BLEND OF OLD AND NEW

Arlington seamlessly blends its historical heritage with modern conveniences. Town leaders are committed to providing residents with the infrastructure and amenities they need while preserving the Town's unique character. Arlington Community Schools, established in 2014, are a testament to this balance, offering excellent education while attracting new families to the area.

The Town's civic events, such as Arlington in April, Music on the

Square, the BBQ Burnout, the Christmas Parade, and Christmas on the Square foster a strong sense of community. Recent improvements, like the Forrest Street Park and the Arlington Tennis Center, highlight the Town's commitment to enhancing the quality of life for its residents.

LOOKING TO THE FUTURE

As Arlington continues to grow, the Town remains dedicated to honoring its past while planning for a bright future. With careful planning and a strong community spirit, Arlington's leaders strive to add great amenities for residents while protecting the Town's rich history.

When future generations look back, they'll see a Town that successfully blended the old with the new, creating a vibrant, welcoming community. Arlington's history is a testament to its resilience and spirit, making it a truly special place to call home.

Discover Arlington... where history and modern life come together to create a unique and thriving community!

Arlington Fire Department

The earliest record of the Arlington Fire Department dates to 1949 when it was started by several local citizens to provide fire protection to the community. Before then, the department was organized with a few volunteers that pulled around a large hose reel. When there was a fire, the men would pull the reel to the scene by hand and hook up to the nearest hydrant and fight the

fire as best they could.

With the organization of the fire department came the need for an engine. On August 21, 1950, the town approved the purchase of a 1949 Ford Pumper from the Central Fire Truck Corporation for \$4,892.50. The Town still owns this engine today.

The engine was housed in a small shed for the first three months after the purchase. A local building owner was

delinquent on taxes and the Town took over his building located at 12047 Highway 70 as the first official fire station.

In 1980, Arlington built a new Fire Station at 11754 Douglass Street along with a new Town Hall at 5854 Airline Road. The department remained an all-volunteer department until early 1980 when paid dispatchers were hired.

In January 2020, Arlington placed a second full-time company in service and hired 12 new personnel to staff the brand new 107' Pierce Quint (now called Truck 71). Both Truck 71 and Engine 72 responded out of Fire Station 1 at Douglass Street for a time, until the new 13,000sf Fire Station 2 was completed on October 29, 2021. Fire Station 2 is located at 12364 Donelson Road, on the south side of I-40. Engine 72 and Brush Truck 72 respond from the new station, while Truck 71 and SCFD Ambulance Unit 71 continues to respond from Fire Station 1.

The Arlington Fire Department is continuing to grow, as is the Town of Arlington. Members of the Department have become state certified Instructors, Inspectors, Officers, and members of the FEMA US&R team, TN-TF1. They continue to increase their education and training, so they will be ready whenever they are needed.

Shelby County Sheriff's Office

The Shelby County Sheriff's Office (SCSO), under the leadership of Shelby County Sheriff Floyd Bonner, Jr., is a full-service law enforcement agency which provides police services to the Town of Arlington.

The Sheriff's Office's substation, which opened in 2002, is located in Arlington, thus a great benefit and real concentration of law enforcement in our community. The substation is home to the Law Enforcement Division, including Uniform Patrol, Traffic, DUI, Community/Legislative Affairs, Detective Bureau, Vehicle Maintenance, Crime Prevention, and School Support Services.

School Resource Officers (SRO's) serve in the Arlington Community Schools, with deputies are assigned to Arlington High

School and Arlington Middle School. Through mentoring, example, and education, these officers mentor students of the dangers associated with drugs and alcohol, criminal activity, and other anti-social behavior.

"The Town of Arlington is near and dear to my heart," said Sheriff

Bonner. "For more than two decades, residents and town officials have welcomed our deputies and other SCSO employees into the community. For that, I continue to be appreciative and grateful."

SCSO, we salute you - thank you for serving our community!

BOARD AND COMMISSION MEETING DATES

- The Arlington Board of Mayor and Aldermen meet the first Monday of each month.
- The Arlington Planning Commission meets the third Monday of each month.
- The Design Review Committee meets the second Tuesday of the month.
- The Finance Committee meets from January through May. The meeting dates are published at Town Hall.

The following Board and Committees meet on an as-needed basis:

- Board of Zoning Appeals
- Industrial Development Board
- Library Board
- Health and Safety Committee
- Parks and Recreation Committee

Meeting dates are subject to change due to holidays. Vacancies sometimes occur during the year. For information on serving on a Board of Commission, please contact Town Hall at 901-867-2620 for information.

ARLINGTON *Special Events*

MARKET *at The Crossing*

Come to The Market at Arlington Crossing during select Saturday mornings May-October as Arlington friends gather to enjoy fresh fruits, garden vegetables, fresh flowers, local crafts, baked goods, honey, and more! (Check the Town website for scheduling.)

ARLINGTON *in April*

Handmade jewelry, local artwork and pottery, face painting, cotton candy and corn dogs, charming gifts, children with balloons, live musical performances, and demonstrations at the blacksmith shop...these are the sights and sounds of spring in Arlington. The last Saturday in April brings the small-town charm of Arlington to the forefront as over 100 local and regional craft vendors come together to show their wares to the thousands of people who descend on Arlington, Tennessee. Admission is free, but bring your wallet, because you will find plenty to like at this annual event!

CHRISTMAS *on the Square*

Arlington's historic Depot Square is the backdrop for Santa Claus, carriage rides, a decorated forest, toy workshop, ornament shop, live nativity, carolers, candy shop...and much more!

MUSIC *on the Square*

Arlington's own concert series runs from May to October, the third Saturday of each month starting at 7pm at The Crossing Amphitheater. Area bands entertain crowds of locals in lawn chairs and gathered on blankets. The Mason's fire up the grill, and there are food trucks on hand for this monthly free event.

STAR-SPANGLED *Spectacular*

This annual celebration of Independence Day is held prior to the 4th of July each year and is one of the best-attended Town events. Held at the Arlington Sports Complex, the annual celebration includes music, food, and culminates in a firework display for residents.

ARLINGTON 5K

Held in the early fall of each year, this annual 5K draws hundreds of runners from all over Shelby County. Proceeds from the event support the Arlington Education Foundation, which provides grants to all four Arlington Community Schools.

ARLINGTON

The Place to be!

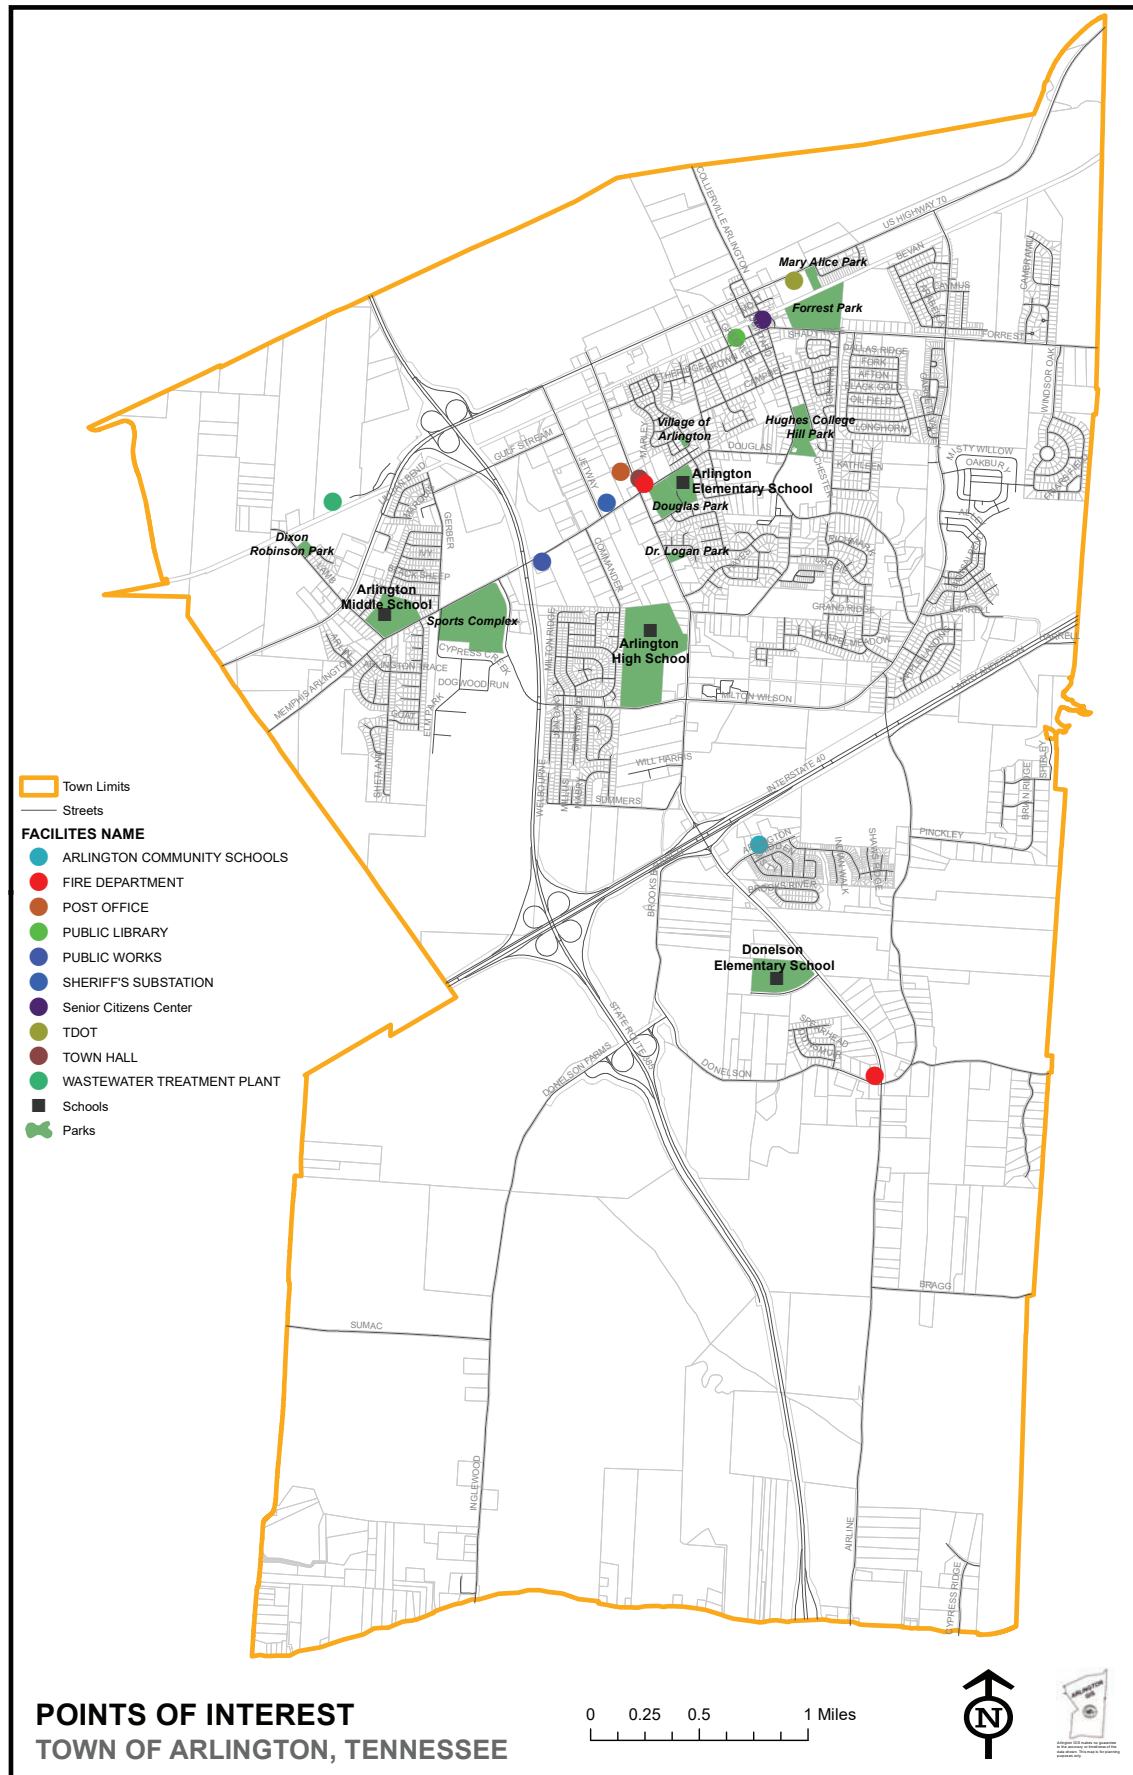

BBQ *Burnout*

This annual fall event is a Memphis Barbeque Network sanctioned event that features live entertainment, activities for families and children, a variety of vendors, concessions, and much more! Over \$10,000 in prize money and trophies are awarded to winners in several categories.

Arlington Points of Interest

West Tennessee Veterans Home

Exciting things are in store and progressing well for veterans in the Arlington area. The sixth location of the Tennessee State Veterans' Homes, which began construction in 2023, is still on-track to open their doors in 2025. The Arlington property covers 28.56 acres including all private rooms, community center, bistro, large gathering area, therapy space, library and so much more. With an estimated 65,000 to 75,000 veterans living in Shelby, Fayette and Tipton counties, West

Original concept rendering by Orcutt/Winslow.

Tennessee boasts the highest number of veterans in the state. This 126-bed, long-term skilled nursing and rehabilitation care facility will be an asset for not only Tennessee veterans, but also for the local economy in providing approximately 200 full time, part time, and PRN employees. Hugh Lamar dedicates much of his time serving local committees fostering growth, many focusing on veterans, including the Tennessee State Veterans' Home Board. Mr. Lamar states, "Arlington, Tennessee is proud to have the 6th Veterans Home in the State of Tennessee. As Board Chairman, it is a dream come true for the Veterans of West Tennessee."

Members of the Tennessee State Veterans' Homes Board and members of the community convened on the construction site to view its progress.

Hugh Lamar and the late Richard Grant, both members of the Tennessee State Veterans' Homes Board, were present when the first vertical beams were set in place during the summer of 2023.

ARLINGTON SENIOR CENTER

The Arlington Senior Center opened in 2003 to serve as a gathering place for Arlington's Senior Citizens. The Senior Center, located in Depot Square, was constructed as a replica of Arlington's original Railroad Depot Station from the late 1800's, which was known as "Withe Depot."

The Center is a place where adults 50+ can redefine aging with an emphasis on curiosity, positive growth, self-improvement, and healthy well-being. You will find classes on lifelong learning, exercise, creativity, and healthy habits - along with engaging opportunities to expand your social network.

For a calendar of activities, see
<https://www.townofarlington.org/page/senior-citizens-center>.

A Rich Past...to Preserve

The Association for the Preservation of Tennessee Antiquities (APTA) is a statewide nonprofit historic preservation organization established in 1951. The Arlington Chapter, chartered on May 21, 1979, promotes and preserves Arlington history through five historic sites maintained by the Chapter and through community activities and events. If you are interested in joining the Arlington Chapter or for more information email APTA.arlington.tn@gmail.com.

Campbell Clinic is an international leader in musculoskeletal care. Our research, insight, and expertise have driven the field of orthopaedic medicine for more than 100 years. Nearly 2 years ago, we brought that expertise to Arlington with a new clinic offering walk-in and urgent orthopaedic care to make it more convenient for the residents of Arlington to see an orthopaedic specialist.

“Our mission at Campbell Clinic has always been to deliver exceptional orthopedic care to every patient we serve,” says Dr. Gilbert, a leading sports medicine specialist at Campbell Clinic Arlington. “With our team of highly skilled orthopaedic specialists and state-of-the-art facilities, patients can trust that they are receiving the best possible care right in their community.”

At Campbell Clinic Arlington, patients can expect the same level of expertise and convenience that they’ve come to know and trust from our main facility in Memphis. Whether it’s sudden pain, sports injuries, or accidents, our team of highly skilled orthopaedic specialists is here to provide prompt and efficient care, ensuring that patients can get back to doing what they love as quickly as possible.

Nicole Vance, a dedicated Physical

Therapist at Campbell Clinic Arlington, echoes this sentiment. “As a member of the Arlington community myself, I understand the importance of having access to quality healthcare close to home,” says Nicole. “At Campbell Clinic, we not only provide expert orthopaedic care, but we also actively support our

community through initiatives like sponsoring the Arlington 5K, which raises funds for Arlington Schools.”

Nicole, who also coaches soccer in the Arlington Recreational Rec league and serves as the VP of Publicity on the PTA Board at Donelson Elementary School, understands the unique needs of Arlington residents and is committed to helping them achieve their health and wellness goals.

In addition to providing exceptional patient care, Campbell Clinic is deeply invested in supporting the growth and well-being of the Arlington community. Through initiatives like sponsoring local events and participating in community outreach programs, we strive to make a positive impact beyond the walls of our clinic.

As we look ahead to the future, Campbell Clinic remains dedicated to serving the orthopaedic needs of Arlington and beyond. Whether you’re a weekend warrior, a student-athlete, or simply seeking relief from orthopaedic pain, you can trust our team to provide the personalized care and attention you deserve.

For more information on Campbell Clinic, visit their website at www.CampbellClinic.com or call 901-759-3111.

The PCG Companies —

A Global Business led by an owner dedicated to local values and the Arlington community.

Since 2012, Plenus Condico Group (PCG) and its partner companies, under the ownership of Bob Wilson, have expanded into a dynamic business portfolio that spans global trade, local investment, and service-based ventures.

Plenus Condico Group: Your Complete Solution

At the heart of this business conglomerate is Plenus Condico Group, a company providing comprehensive consulting services and outsourced service solutions. From consulting and project management to back-office support, PCG empowers businesses to focus on growth while the PCG team handles essential operational details. PCG's Center of Excellence specializes in global sourcing, bookkeeping, treasury, digital marketing, customer service, and more, ensuring clients receive expert assistance at every step. As Wilson notes, "While our service organization is taking care of the back-office transactional work, the client's organization can focus on other value-added activities such as maintaining and growing sales channels, corporate strategy, and planning."

PCG Global Trade, PCG Packaging, and PCG APAC Ltd: Bridging Continents Through Trade

Wilson's global vision comes to life through PCG Global Trade, PCG Packaging, and PCG APAC Ltd, all of which focus on trade between the USA and Asia. These companies excel in sourcing and custom packaging solutions, including innovative products like the Dump Commander, a device designed to easily lift trash bins into dumpsters, and custom logo metal benches alongside other patio furniture, custom retail packaging, and offshore custom parts manufacturing and fulfillment. By optimizing sourcing and global logistics, these businesses connect continents while offering cost efficient customized products to meet client needs.

PCG Enterprises and PCG Holdings: Investing in the Future

Locally, PCG Enterprises and PCG Holdings reflect Wilson's commitment to community development. These companies focus on investing in local entrepreneurs and businesses, land development, and strategic asset holdings, creating opportunities for growth and development in regional markets. Guided by Wilson's belief in giving back to the community, these ventures help support and nurture local economies and business startups for long-term success.

Casper Creek RV Park – Millington: A Home for Travelers

Nestled in Millington, TN, Casper Creek RV Park is a quiet park catering to extended stay guests. The Park features solid concrete pads, and limited gravel pads, a storm shelter and on-site free washer and dryer services. The park provides peaceful country living just minutes away from tourist locations.

Arlington Station RV Storage:

Secure and Convenient RV Storage

Arlington Station RV Storage, located in Arlington, TN, provides secure, clean storage solutions for RV owners. With round-the-clock access and advanced security, this facility gives RV owners peace of mind knowing their vehicles are safe when not in use.

A Philosophy of Purposeful Growth

Bob Wilson's companies all reflect his philosophy of "Earn all you can, Save all you can, Give all you can." This guiding principle ensures that his ventures not only generate profit but also invest in their team members and communities. As Wilson states, "Our partners, clients, and team members come from very different parts of the world, different religions, different educational backgrounds, and different world experiences, but we come together with one simple philosophy... Earn all you can, save all you can and give all you can." This belief binds all of Wilson's companies together with a common vision of being more than just a place to work—it's about making an impact in the world and within each community they serve.

Saint Francis-Bartlett Continues Strong Tradition of Service to the Community

Saint Francis Hospital-Bartlett's
CEO, Sherwin Stewart

Saint Francis Hospital-Bartlett celebrated its 20th anniversary in June of 2024 and is a bedrock of the Bartlett community. The hospital opened on June 1st, 2004, as a 95-bed hospital to serve the ever-growing city of Bartlett and the surrounding areas and continues to build on its strong foundation to meet the community's health care needs.

In 2012, the hospital completed a \$34 million, 80,000 square foot expansion that added more than 100 beds, bringing the total number of beds to 196. The expansion also included a

meeting a huge need but has not lost the small-town friendly feel it has always been known for.

"We are truly a community built on care," said Sherwin L. Stewart, DSL, CEO of Saint Francis-Bartlett. "Not only are we committed to providing exemplary medical care to our neighbors, we work to lift the collective health of our residents and partner with the community on various initiatives."

Saint Francis-Bartlett boasts certification as a Primary Stroke Center by the Joint Commission and is accredited as a Certified Chest Pain Center by The American College of Cardiology. The American Heart Association and The American Stroke Association have recognized Saint Francis-Bartlett with the Get With The Guidelines®-Stroke Gold Plus quality achievement award and named the hospital to the Stroke Elite and Diabetes Honor Roll.

The hospital also provides convenient online check-in for emergency room services, allowing community members to let staff know they are coming.*

Just across from the main hospital campus, Saint Francis Rehabilitation and Sports Medicine offers physical, occupational and speech therapy, sports medicine and orthopedics,

neurological and stroke rehab, dry needling, and wound care management.

Committed to training the next generation of health care providers, Saint Francis-Bartlett has partnered with area high schools since 2019 on shadowing programs for seniors, designed to introduce them to the spectrum of careers available in the health care field.

To learn more about Saint Francis-Bartlett, please visit saintfrancishosp.com.

*For life-threatening emergencies, call 911.

second Cath Lab, four additional operating rooms, and 14 emergency room beds—increasing the total emergency room bed count from 19 to 34.

The hospital's economic impact is impressive—employing more than 700 people, with a medical staff of 450-plus, over 150 contractors, and more than 30 volunteers who logged over 5,000 hours in 2024. With more than 3,500 surgeries, over 7,500 admissions, more than 39,000 ED patients seen each year, plus over 55,000 outpatient visits, the hospital is

We're Right by You® —In Every Way That Matters

At RightFiber, we believe doing the Right thing isn't just about good business—it's who we are. That's why we proudly stand behind our Right by You® pledge: a promise to do Right by our customers, employees, and the communities we call home.

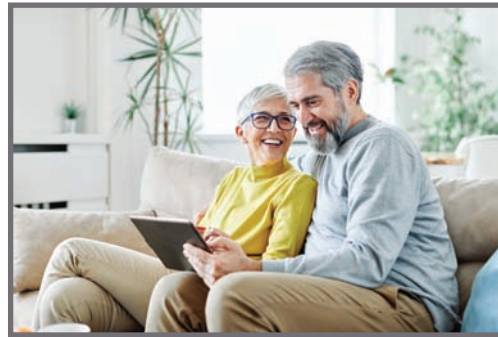

Though RightFiber may be new to the neighborhood, we're backed by more than a century of experience. What truly sets us apart is our people. Our team lives and breathes customer-first values, carrying forward the legacy of a local company with deep roots and an unwavering dedication to service.

We have been proudly a part of the Arlington Community

since 2023. "The Arlington community matters to us because once RightFiber arrives, it's also our community," says Mandy Bashaw, RightFiber's Marketing Coordinator. "RightFiber is proud to support and partner with the Sam T. Wilson Public Library, the Arlington Chamber of Commerce, Arlington High School, Spreading Sunshine, and the Town of Arlington. We look forward to serving high-speed internet and being part of the Arlington community for years to come."

Because at RightFiber, we are more than your internet provider—we're your neighbors. And we'll always be Right by You®.

RightFiber has introduced Smart Wifi to Arlington residents for a powerful home Wifi experience.

ADVERTORIALS

WorldTech's team of certified, experienced IT professionals make it their business to

craft the most effective IT solutions for clients of all sizes. Our staff focuses on providing network infrastructure, hardware, and software that streamlines performance while eliminating vulnerabilities.

The process begins with a vulnerability assessment, from which we design and implement a carefully tailored service plan to best enhance and protect your business. With affordability in mind, we help you navigate smoothly around unexpected downtime by keeping your technology up to date with the latest, most comprehensive patches and upgrades. Our skilled professionals are available 24/7 to solve problems no matter where they arise. We've got your back whether you're down the street or across the globe, so you can focus on what's important to you.

By providing peace of mind and working around the clock to battle disruptions, WorldTech has become a trusted name in IT management.

"We've got your back whether you're down the street or across the globe, so you can focus on what's important to you," says company President and CEO, Jeremy Baxter. "Our clients are all over the country, and even outside the US, but Arlington is home."

Our staff members love being part of this community – giving back – because we live here, and these are our friends. We are involved with the schools, the Chamber, and other groups, and we value those friendships and relationships."

WorldTech is a value-added reseller of information technology products and a professional services company offering communications consulting; technical design; project management; systems configuration, implementation, and continuous monitoring and support. We've partnered with only the best manufacturers in the industry in order to best serve commercial and public sector customers.

"Because our growth has come principally through organic referrals," says Baxter, "You can be assured that we provide the highest caliber of customer service to keep our clients satisfied and confident in their technology."

Ford Motor Co. Builds Blue Oval City

Ford's BlueOval City, the 3,600-acre campus in Stanton, TN, which covers nearly 6 square miles, will encompass vehicle assembly, battery production, and a supplier park in a vertically integrated system that delivers cost efficiency while minimizing the carbon footprint of the manufacturing process. The assembly plant will use always-on cloud-connected technologies to drive vast improvements in quality and productivity.

The campus is taking shape as robotic training cells, conveyors, paint spray booths, and stamping press lines are installed at the Tennessee Electric Vehicle Center (TEVC) assembly plant.

As the work in the plant progresses, Ford is prioritizing education, environmental protection, and local engagement to help ensure West Tennessee residents benefit from the growth BlueOval City will bring.

"We are honored to join West Tennessee residents in shaping the future of their community," said Gabby Bruno, Ford's director for community relations.

Ford plans to develop local talent for jobs at the Tennessee Electric Vehicle Center through its BlueOval Learning initiative.

Training will be comprehensive, with online, classroom and hands-on segments designed to prepare employees to operate, maintain, and troubleshoot equipment in their areas.

The TEVC will use the latest Ford manufacturing equipment, so employees will train on machine vision systems for robot guidance and quality assurance, automated pick-and-place material handling, sealer and adhesive dispensing systems and various automated mechanical joining technologies, among several other manufacturing processes.

As construction of BlueOval City progresses in Tennessee, Ford's

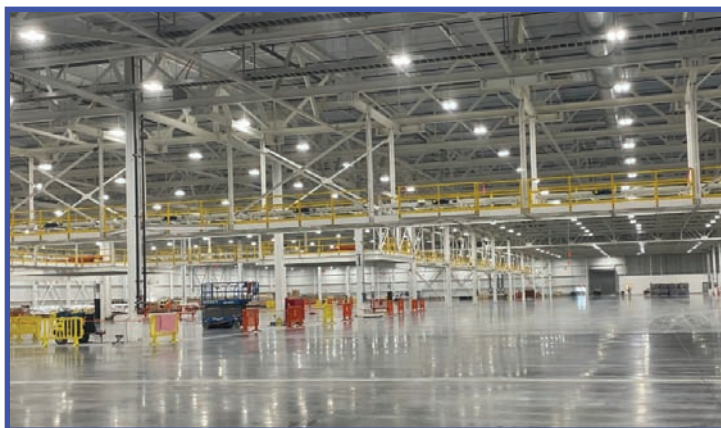

vision for an efficient and carbon-neutral manufacturing facility is becoming a reality. From its earliest conception, BlueOval City was designed to help minimize impact on the local environment and to protect the local community.

"We recognize the significance of farming, fishing, and hunting in West Tennessee," said Blake Newbill, senior environmental engineer, TEVC. "And we

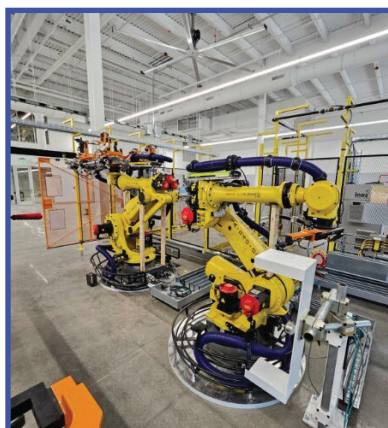

understand that part of being a good neighbor is caring for the air, water, and land so these important resources are preserved for our community."

Ford's assembly plant, showing the body shop section of the TEVC.

BlueOval SK Tennessee Move In - March 2025

BlueOval SK at BlueOval City

BlueOval SK hosts students from ACS during the Fall LEAD Arlington session.

BlueOval SK will lead the transformation of electric vehicle batteries.

BlueOval SK is a 50/50 joint venture between Ford Motor Company and SK On to produce advanced batteries for future electric vehicles. BlueOval SK blends the expertise of two global historic companies. Ford has a 120+ year history of manufacturing iconic brand vehicles and SK On leads the way with the development of lithium-ion battery technology.

Team members moved into the BlueOval SK battery plant in Stanton in March as construction and equipment installations continue. Along with the plant located on the BlueOval City campus, BlueOval SK has two battery plants at BlueOval SK Battery Park in Glendale, Kentucky. Each plant measures approximately 4 million square feet, the size of 70 American football fields.

BlueOval SK looks forward to the start of production at the Stanton facility as market demand and customer orders dictate. Battery production is scheduled to begin at the first Kentucky plant this year.

BlueOval SK team members have the extraordinary opportunity to be part of the launch team, spearheading the establishment of the company from the ground up. BlueOval SK will electrify the future of mobility!

BlueOval SK Birthday Celebration

ARLINGTON COMMUNITY SCHOOLS

As the public school district of choice for more than 4,300 PreK through 12th grade students, Arlington Community Schools has become an academic destination for many families thanks to our dedicated staff, strong academic record, modern facilities, technology-forward vision and vast extracurricular offerings beyond the classroom.

In ACS, our mission is to empower and inspire all students towards lifetime learning, career success and good citizenship. We're prioritizing STEAM Learning (Science, Technology, Engineering, Arts & Mathematics) with two STEAM Designated Schools® and STEM for All in Grades Pre-K through 12th, and we continue to expand college-level credit opportunities and Career & Technical Education to meet our students' needs.

ACS is proud to be among the Best Communities for Music Education® and the #1 Certified Top Workplace® for school district employees in the Memphis-Metro region!

At ACS, each campus carries its own identity and traditions that make it unique and engaging for students. All our schools are located within the Town of Arlington, so no matter the number of children you have and their ages, take comfort in knowing that all ACS campuses are within minutes of each other, offering caring and creative atmospheres.

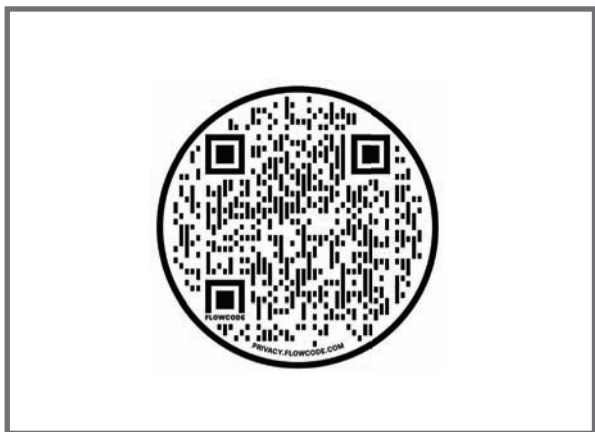

Arlington Elementary School is one of the oldest schools in Shelby County and has continued its tradition of Achieving Educational Success for more than 135 years! As a multi-year Tennessee Reward School, AES has a proven track record statewide for high academic achievement, ranking among the highest performing elementary schools in the state! AES Principal: Tonya Hawkins

Just down the road at Donelson Elementary School, the DES Bulldogs are proud to be among an elite club of schools nationwide to be named a National Blue Ribbon School – the ultimate award in education for growing students academically! Driven with Excellence for Students, DES has also been continuously recognized statewide as a Reward School! DES Principal: Miranda Manley

Our next stop for students is Arlington Middle School, where they're inspired to be life-long learners, forging a path toward high school, college, career or a calling, all while emerging as contributing members of society. As the first Apple Distinguished School® in ACS, the AMS Tigers were trailblazers in Tennessee for implementing 1:1 iPad devices throughout the building, and the school's efforts in creating a hands-on, academic learning environment has earned them the Tennessee STEAM Designation®. AMS Principal: Shannon Blackburn

Our students' journey in ACS ends at Arlington High School, where they have access to a course catalog with nearly 150 classes, including 30 Honors classes, 20+ Advanced Placement courses, nearly 20 Dual Enrollment and Dual Credit courses, JROTC and 11 Career Pathways, such as Advanced Manufacturing, Office Management, Nursing Services, Cybersecurity, Criminal Justice and more. AHS is also home to three robust academies: The Academy of Engineering & Innovation, Collegiate Academy & the PAVE Fine Arts Academy. This, on top of the 20+ sports teams and 50+ clubs and organizations, makes AHS a Place for Everyone. AHS Principal: Chris Davis

Whether you're in pursuit of rigorous academics, thriving Fine Arts or a community where your children find belonging, know that ACS is big enough for everyone but still thrives on that small-town charm.

OUR SUPERINTENDENT

Allison Clark, Superintendent

Welcome, ACS Families!

It is an absolute honor to step into the role of superintendent for Arlington Community Schools, a district that holds such a special place in my heart – and in my family's story. Arlington is more than just the community where I work; it's the place I chose for my child and our home. Years ago, I made the decision to move my son from a private elementary school to Donelson Elementary, and it has been one of the best choices I've made as a parent. Watching him grow up through the halls of Donelson Elementary, Arlington Middle and Arlington High has given me a unique perspective on the incredible impact ACS has on our students and families.

As both a parent and an educator, I know firsthand how ACS shapes the lives of our children, and it's with that same love and commitment that I approach my duties as a superintendent. My journey with ACS began over a decade ago as the principal of Arlington Middle School. Leading AMS was an amazing experience, and it deepened my understanding of what makes Arlington special: our people. For ten years, I was privileged to work alongside exceptional teachers, staff, and students who strived every day to be their best. I then transitioned to Chief of Human Resources, where my focus was on building strong, dedicated teams who are passionate about supporting our students.

Throughout my career, I've always measured decisions by what I call the "Momma Test" – if I'd trust someone to teach and care for my own child, I know they'll do right by every child in our district. That belief has guided me through every decision I've made as an educator and leader, and it will continue to guide me as superintendent. My number one priority is making sure that every family feels supported, every student feels seen, and every employee feels valued.

As a mother of a soon-to-be ACS graduate (Class of 2025!), I'm reminded every day of how important it is to provide not just academic opportunities but well-rounded, enriching experiences that help our children grow into confident, compassionate adults. I'm incredibly grateful to be part of this school family and to have the opportunity to serve as your school community superintendent. Together, we are going to build on the strong foundation that makes Arlington Community Schools the incredible place it is.

Thank you for welcoming me and for continuing to be part of the ACS family. I can't wait to see what we accomplish together. I'm proud to be part of the A-Team!

Dr. Allison Clark
Superintendent, Arlington Community Schools

OUR BOARD

The ACS Board of Education is made up of five, non-partisan elected representatives who advocate for students, parents and staff through annual budgets, strategic plan priorities, policies and legislative agendas. Arlington Community Schools is proud to have a Board of Education who has prioritized student success, teacher support and overall community growth through forward-thinking, fiscally responsible budgets.

We Want YOU on Our Team!

The Chamber exists to promote the economic, civic, commercial, industrial, and educational interests of our area. A member-driven organization, the Chamber regularly assesses the needs of local business owners and executives. Programs, products, and events are created to deliver strategic solutions to those needs. The Arlington Chamber is a private organization funded primarily by dues paid by member businesses. Membership is open to all businesses and individuals that maintain a voluntary annual dues investment.

Membership in the Arlington Area Chamber of Commerce is an investment in your business as well as your community. Join the team!

ARLINGTON CHAMBER MEMBERSHIP LEVELS:

- Business – \$200 base + \$3 per additional permanent full time equivalent (\$750 maximum), annually
- Financial Institution – \$500, annually
- Non-Profit Organization – \$175, annually
- Private Individual – \$100 (no business listing), annually
- Partnership levels available, please call the Chamber office for details.

MEMBERSHIP BENEFITS:

Networking Events
Monthly Luncheons with Guest Speakers
Sponsorship Opportunities
Advertising Opportunities
Membership Discounts
Business Directory Listing
Ribbon Cuttings
Workshops and Training Sessions

Call the Chamber office at 901.867.0545 for more information.

CHAMBER *Ambassadors*

The Ambassadors serve as the Chamber champions – a public relations arm of the entire Chamber. Ambassadors are uniquely suited to welcome new members to the Chamber membership, since they are active in the community and help new members become acquainted with others in the community.

Our Ambassador group makes the Chamber stronger, and we thank them for their service!

Arlington, TN Welcomes Ford Back to the Neighborhood!

On September 27, 2021, Ford Motor Co. announced that the company will build their new generation EV trucks at the Tennessee Megasite in Stanton, TN – just 17 miles up the road from Arlington. The \$6B mega campus will employ 6,000+ people when completed. The project, known as BlueOval City (BOC), is a joint partnership between Ford and BOC SK, a Korean battery manufacturer.

Arlington has a long history with Ford Motor Co. Thanks to the Arlington Association for the Preservation of Tennessee Antiquities (APTA) for reaching into their "vault" to provide this historical information.
